

Laser Class; Tuesday Evening Series.

This series of races has now drawn to a close after no less than Twenty Race evenings fought for by Twenty Two Skippers, giving a very healthy average of Nine point Six, per race evening.

Brian Askill stole the title by just **one point** after discards were taken into account from Peter Pritchard who had been leading the series for some time, while John Whateley trailed in at third place closely followed by Ken Collins.

Class Captain, *John Trimmer*, 03/09/08
