

## DF 95 Thursday Winter series 22/2/24

Well, that was great fun! We all started maxed out on C rigs, the wind then proceeded to drop off in race 2. I decided to abandon that race and gamble on changing to B. Which paid off in race 3. Everyone then rushed off to put B's on too (Phil an A!!), only to see the wind come back with vengeance during race 4. The B's took a beating, Phil was out for the count unfortunately. I hope your boat can be revived Phil!

After a break to lick our wounds, we all went back to C, which turned out to be the correct call, as we were maxed out all afternoon. I still find it hard to believe how well these boats go in a blow!

**Sailed: 8, Discards: 2, To count: 6, Entries: 7, Scoring system: Appendix A**
