

dragonFLITE 95

Sunday April 27 2025

We were fortunate with the wind conditions this afternoon, after a very light breeze earlier. Longham Lake was being shared with the Ducks kayak club, who helped several times to extricate boats from the reeds! The windward / leeward course generally worked very well, with the boats relatively close to the shore, and a finish right by the jetty. Well done to Paul on sorting out the lulls and shifts to best advantage.
